Director's Report

Director John Pozzi Presented his report.

John reported that we need to replace the trailers at Water lane with a brand new 80x45 building quote. Security, water damage, and faulty wiring have been discovered at this site and action is needed. The 80 x 45 construction will have 3 'storage' bays and office space for Parks and Rec. this quote will need to be prepared and submitted on the Thursday before the 19th November Selectman meeting. Adam also suggested that an automated Key control system will need to be added to this building construction project and suggested some ideas based on what he has seen the military use.

Plans for Pleasant Street. John is waiting for clarification from the town for purpose/ intent and a Memorandum of Agreement (MOA) to be finalized between the town and school boards.
